

Join Guide for WCG

1.

Register as member of **World Community Grid** and press **next**

<http://www.worldcommunitygrid.org/reg/viewRegister.do>

The screenshot shows a web browser window with the IBM logo and navigation links for 'Log In' and 'Join'. The main content area is titled '1. Sign up' and contains a registration form. The form has four input fields: 'Username' with the value 'WCGUsername03', 'Email address' with the value 'User@email.com', 'Password' with masked characters, and 'Re-enter password' with masked characters. Each field has a green checkmark to its right, indicating it is valid. Below the fields is a checkbox labeled 'Accept end user license agreement' which is checked. At the bottom of the form are two buttons: a red 'Next >' button and a white 'Learn more' button with a blue border.

2.

Select your projects and press next

The screenshot shows a web interface with a grey header bar. On the left is the IBM logo. On the right is a red button labeled "Log Out" with a close icon (X). Below the header is a blue main content area. At the top of this area is the heading "2. Select projects". Below the heading is a red button labeled "Select all projects". A list of six projects follows, each with a checked checkbox on the left and an information icon (i) on the right. The projects are: "Microbiome Immunity Project", "Smash Childhood Cancer", "OpenZika", "Help Stop TB", "FightAIDS@Home - Phase 2", and "Mapping Cancer Markers". The "Smash Childhood Cancer" and "OpenZika" entries also feature a green Android robot icon. At the bottom of the blue area is a red button labeled "Next >".

3.1 The Download for other platforms looks like this –

The screenshot shows a web interface with a grey header bar. On the left, there is a logo consisting of a blue and red hexagon with a white 'i' inside, followed by the text 'IBM'. On the right, there is a red button labeled 'Log Out' with a black 'X' icon to its right. Below the header, the main content area has a blue background. At the top of this area, the text '3. Installation' is displayed in white. Below this, there is a list of five options, each with a radio button and a horizontal line underneath: 'Windows' (selected), 'Mac', 'Linux Ubuntu/Debian', 'Linux Fedora', and 'Android'. At the bottom center of the blue area, there is a red button labeled 'Next >' in white text.

IBM

Log Out X

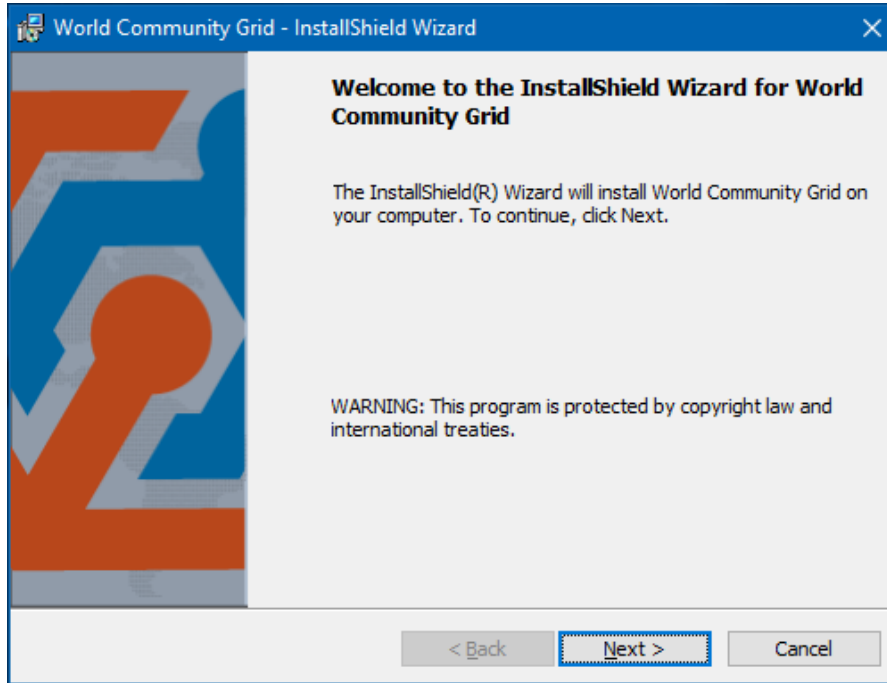

3. Installation

- Windows
- Mac
- Linux Ubuntu/Debian
- Linux Fedora
- Android

Next >

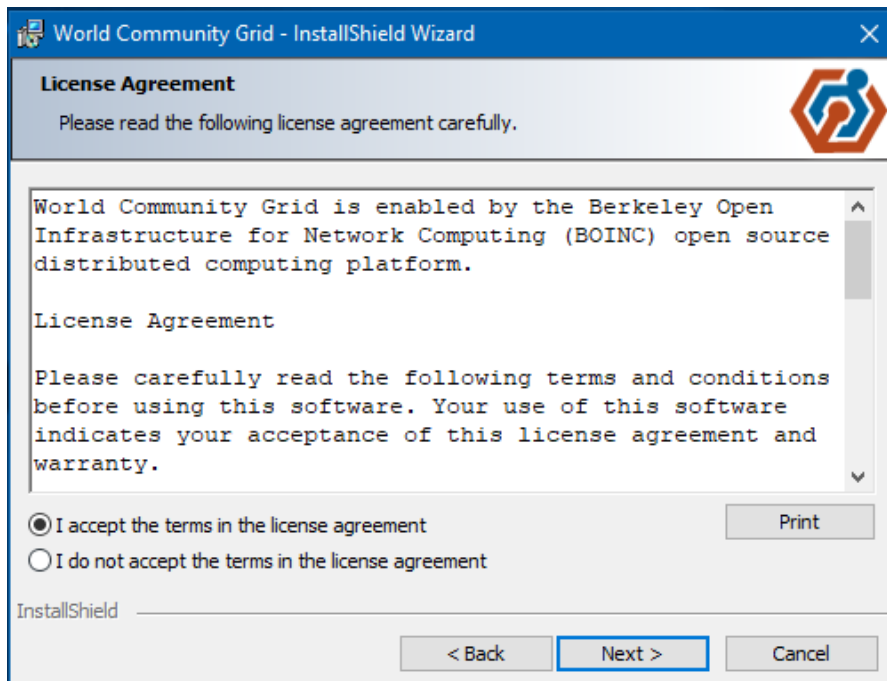

4.

The installation starts – Press **Next**

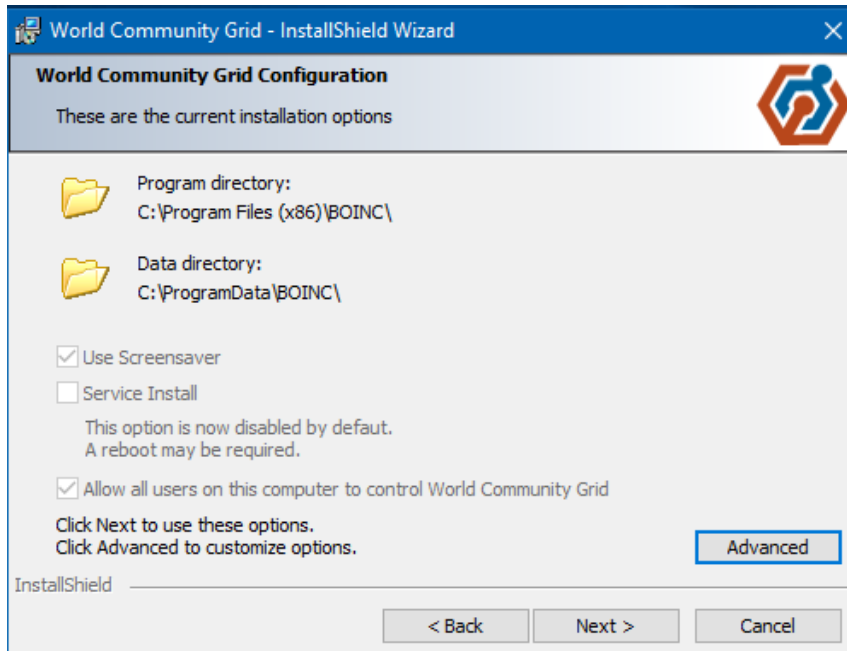

5.

Press “I accept the terms in the license agreement” – Press **Next**

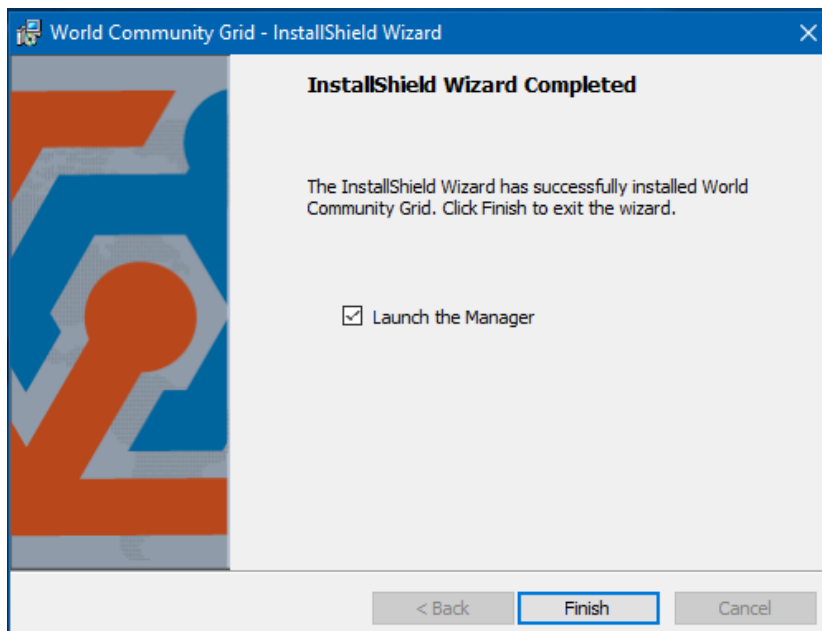

6.

Press Next (Advanced options adjusts Screensaver, Service install and all user install)

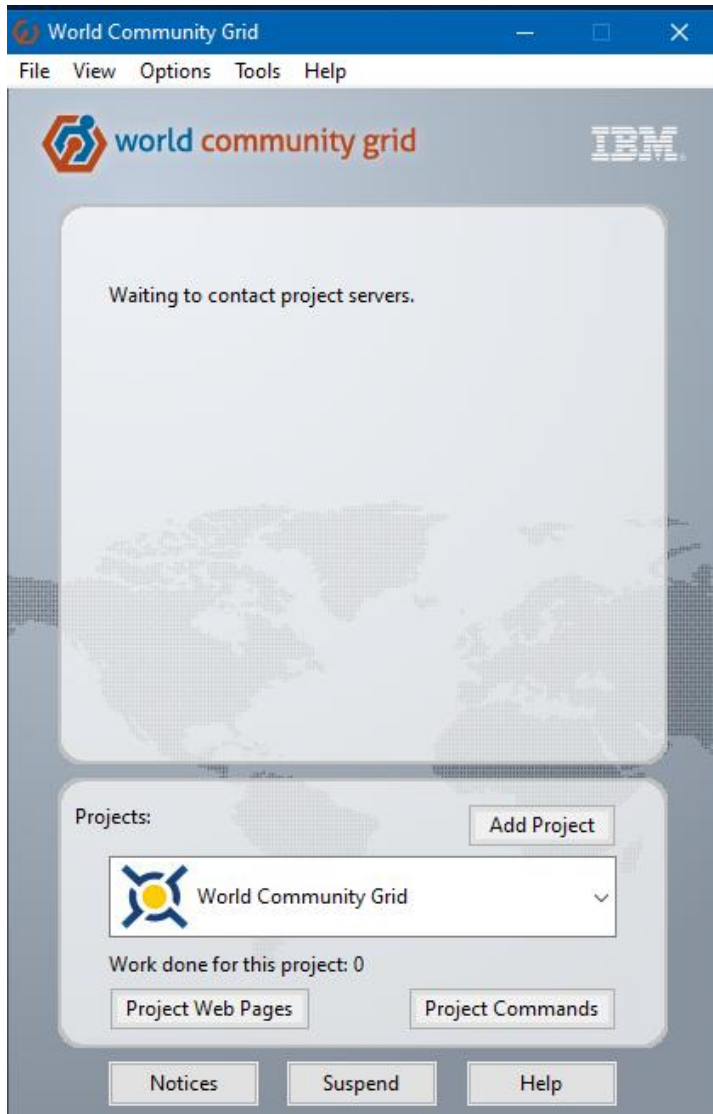

7.

Press **Finish** – The install finishes and the programs starts.

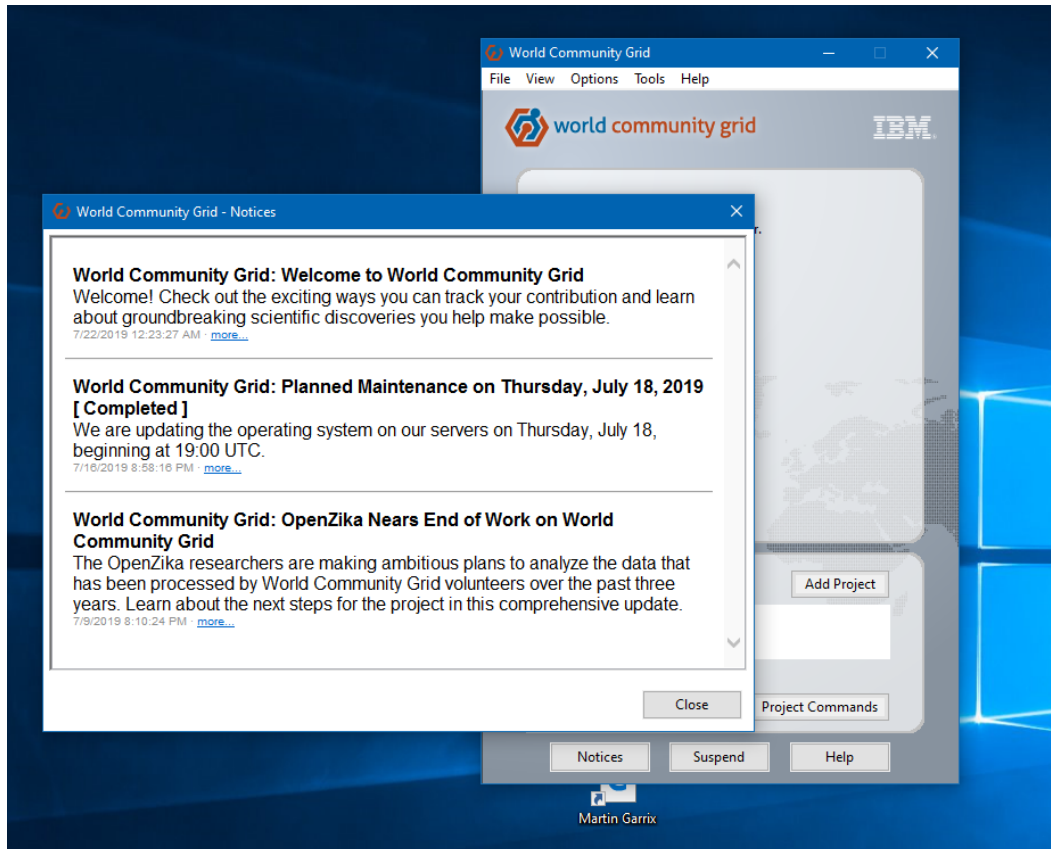

8.

Boinc Manager program starts downloading jobs for your computer after a few min.

9.

Notices button starts blinking – Press it to see the info.

10.

Close the **Notices** window again.

11.

Press **Projects Web Page** button – Press **Home Page**

The screenshot displays the World Community Grid application window. At the top, the title bar reads "World Community Grid" with standard window controls. Below the title bar is a menu bar with "File", "View", "Options", "Tools", and "Help". The main interface features the "world community grid" logo and the "IBM" logo in the top left and right corners, respectively. A central panel shows task details for the "Microbiome Immunity Project". It includes a dropdown menu for "Tasks" set to "Microbiome Immunity Project", a "From: World Community Grid" label, and a logo for "MASSACHUSETTS GENERAL HOSPITAL" (MGH 1811). Below the logo, it displays "Elapsed: 00:03:00", "Remaining (estimated): 03:16:02", and a progress bar at 3.529%. The status is "Running", and there is a "Task Commands" button. Below this panel is a "Projects:" section with an "Add Project" button and a dropdown menu set to "World Community Grid". It shows "Work done for this project: 0" and includes buttons for "Project Commands" and "Project Home Page". A blue callout box labeled "Home page" points to the "Project Home Page" button. At the bottom of the interface are buttons for "Notices", "Suspend", and "Help".

12.

Press the **Settings** link in the top and the **Data Sharing** (or Press the link below)

Adjust your settings so that your team can see your Username.

Data Sharing

Choose to display or hide your data

You can control whether your data is displayed or hidden. If you choose to display your data, your username and contribution statistics will be shown on our leader boards, your badges and country (if specified) will be shown in our forums and your user and device information will be included in any data export files. See our [Privacy Statement](#) for more details.

Display my data
 Hide my data

Please note that it could take several hours for the change to take effect.

Link devices to account

If you have chosen to display your data using the option above, then you further have the option to link your devices to your user account when the data is exported and used by websites like [BOINCStats](#).
