

Tilmeld dig til World Community Grid.

1.

Tryk på nedenstående link og registrer dig på **World Community Grid** med et unik brugernavn og din mail adresse samt password og tryk derefter **next**, (Bemærk - Det brugernavn du vælger kan ikke være et der er valgt af andre.)

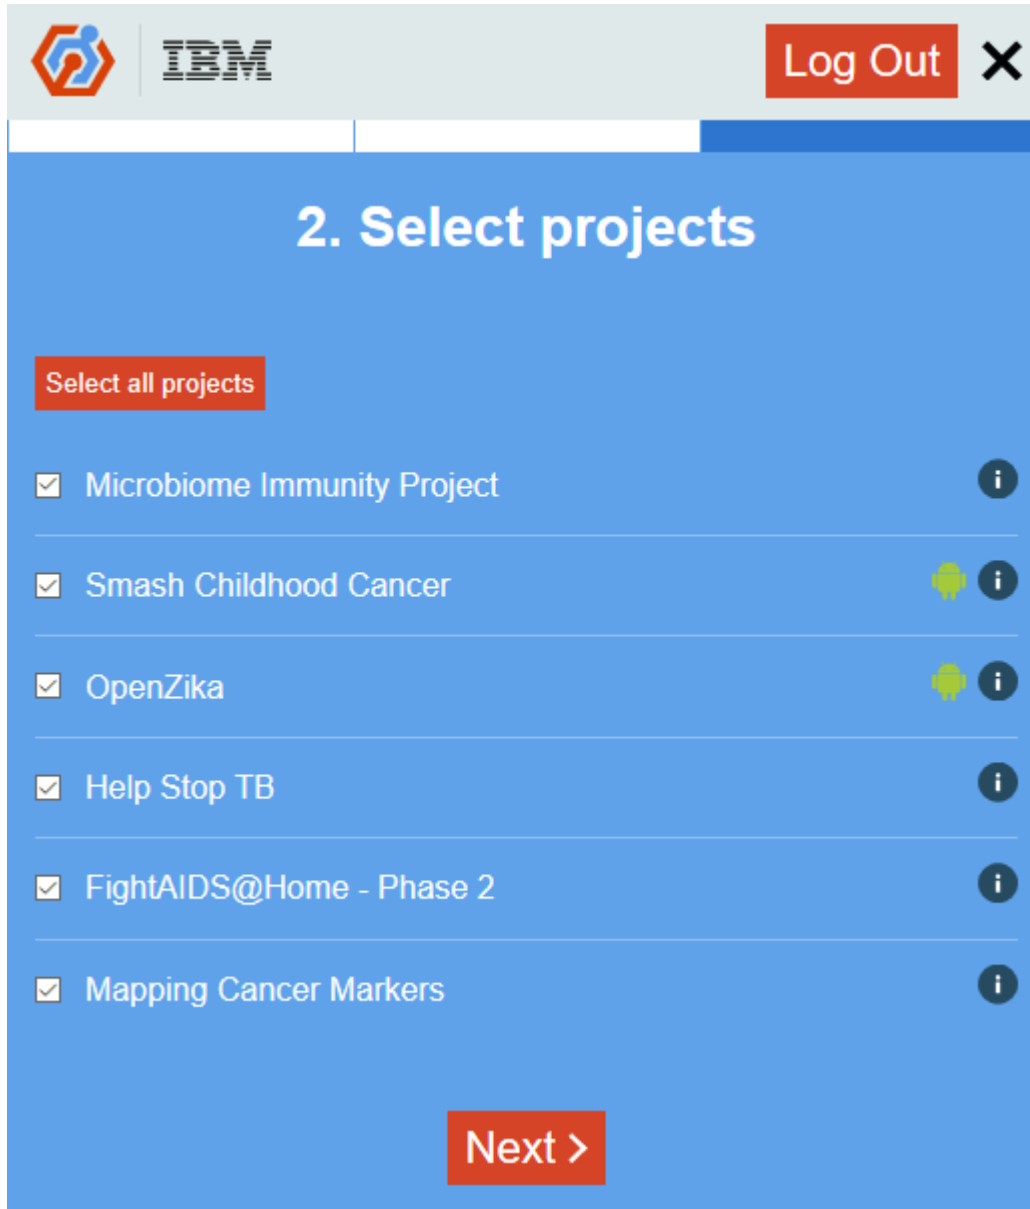

<http://www.worldcommunitygrid.org/reg/viewRegister.do>

The screenshot shows a web browser window with the IBM logo and navigation links for 'Log In' and 'Join'. The main content area is titled '1. Sign up' and contains a registration form. The form has four input fields: 'Username' with the value 'WCGUsername03', 'Email address' with 'User@email.com', 'Password' with masked characters, and 'Re-enter password' with masked characters. Each field has a green checkmark to its right, indicating successful validation. Below the fields is a checkbox labeled 'Accept end user license agreement' which is checked. At the bottom of the form are two buttons: a red 'Next >' button and a white 'Learn more' button with a blue border.

2.

Udvælg de projekter du vil støtte og tryk **next** (Jeg anbefaler at du vælger allesammen, da du senere sagtens kan rette til)

The screenshot shows a web interface for selecting projects. At the top left is the IBM logo. At the top right is a red button labeled "Log Out" with a close icon. The main heading is "2. Select projects". Below this is a red button labeled "Select all projects". A list of six projects is shown, each with a checked checkbox and an information icon (i). The projects are: Microbiome Immunity Project, Smash Childhood Cancer, OpenZika, Help Stop TB, FightAIDS@Home - Phase 2, and Mapping Cancer Markers. At the bottom right is a red button labeled "Next >".

IBM

Log Out

2. Select projects

Select all projects

- Microbiome Immunity Project
- Smash Childhood Cancer
- OpenZika
- Help Stop TB
- FightAIDS@Home - Phase 2
- Mapping Cancer Markers

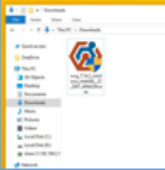

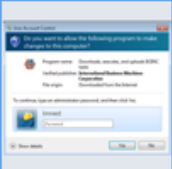

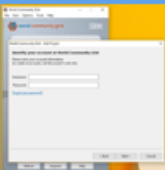

Next >

3.

Start Installationen, Tryk **Save** og derefter **Run** (Kør). Hvis du ikke har windows kan du hente et program til andre platforme ved at vælge linket **DOWNLOAD FOR OTHER PLATFORMS**.

IBM Log Out X

3. Installation

1. Locate World Community Grid 

2. Install 

3. Login to World Community Grid 

4. Start contributing 

You have downloaded the Windows software. [Download for other platforms.](#)

3.1 Download for other platforms ser sådan her ud –

The screenshot shows a web interface with a grey header bar. On the left, there is a blue and red logo and the text 'IBM'. On the right, there is a red button labeled 'Log Out' with a black 'X' icon. Below the header is a large blue section titled '3. Installation'. This section contains a list of operating systems, each with a radio button: 'Windows' (selected), 'Mac', 'Linux Ubuntu/Debian', 'Linux Fedora', and 'Android'. At the bottom of this section is a red button labeled 'Next >'.

IBM

Log Out X

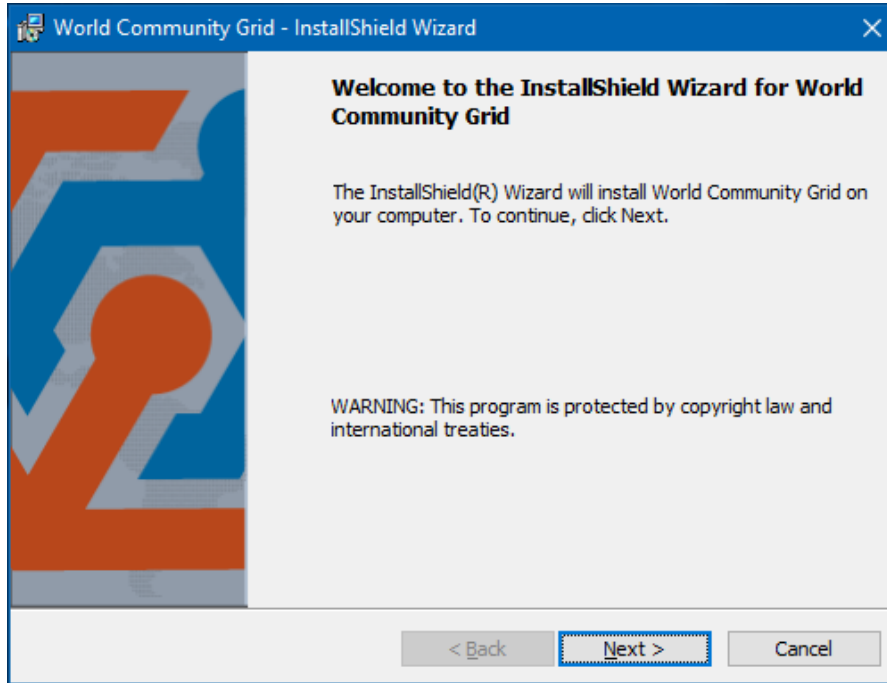

3. Installation

- Windows
- Mac
- Linux Ubuntu/Debian
- Linux Fedora
- Android

Next >

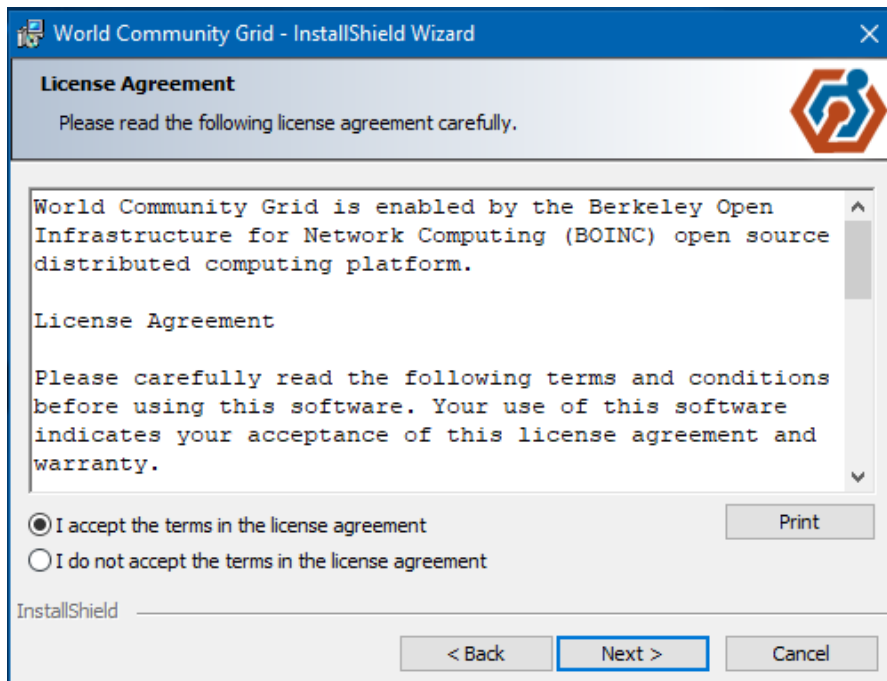

4.

For at fortsætte Installationen - Tryk **Next**

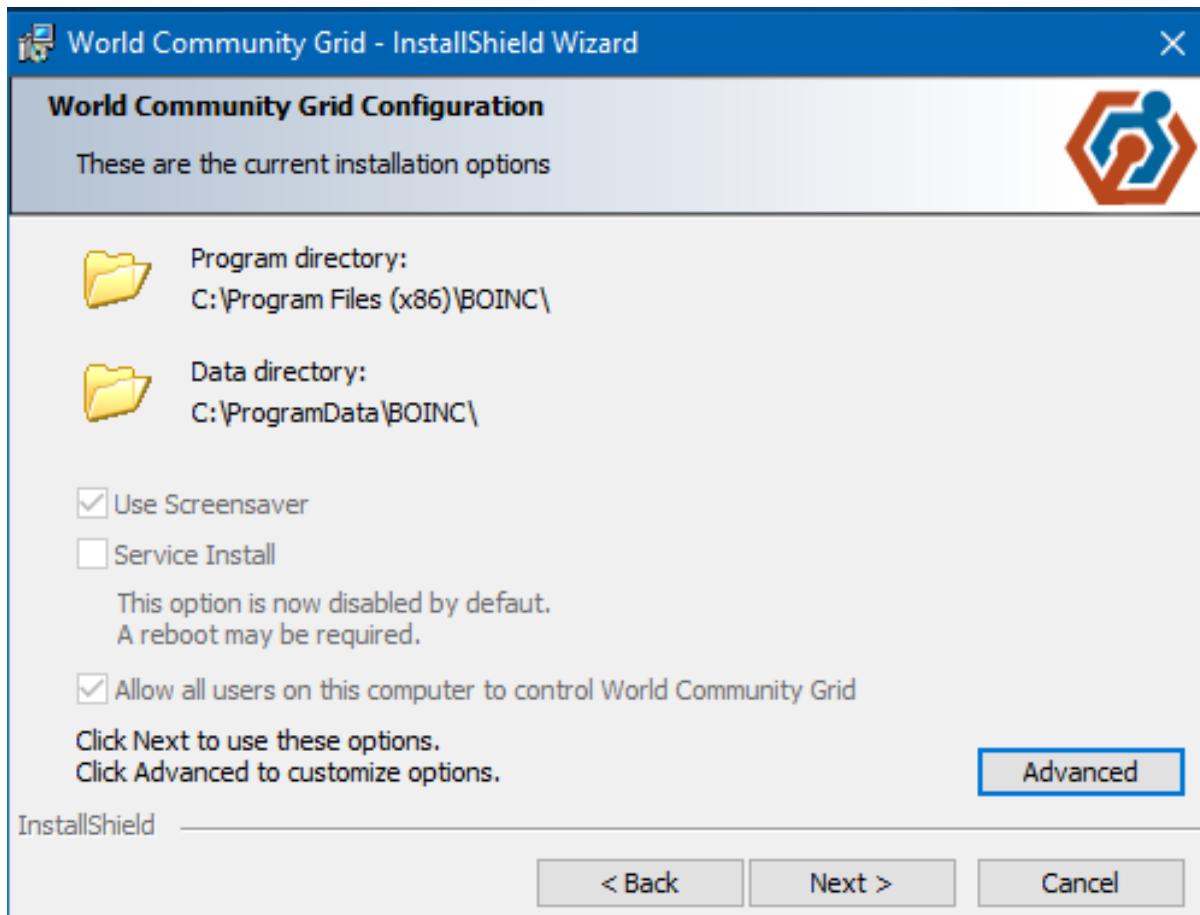

5.

Vælg punktet "I accept the terms in the license agreement" – Derefter tryk **Next**

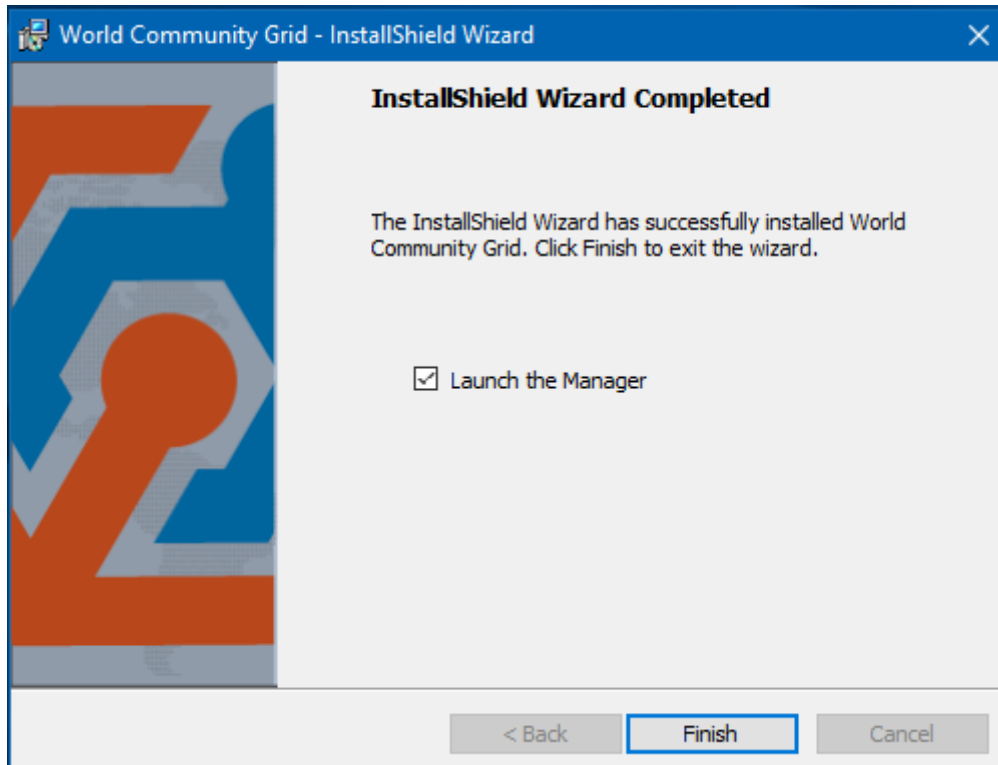

6.

Tryk **Next** (**Advanced** kan rettes til hvis man ikke vil have en pauseskærm, Eller vil tillade all brugere at kontrollere programmet. Service install kræver efterfølgende en genstart og bruges kun hvis du vil sikre at programmet kan køre videre selvom du logger ud fra maskinen.) Jeg anbefaler at du bibeholder standard indstillingerne.

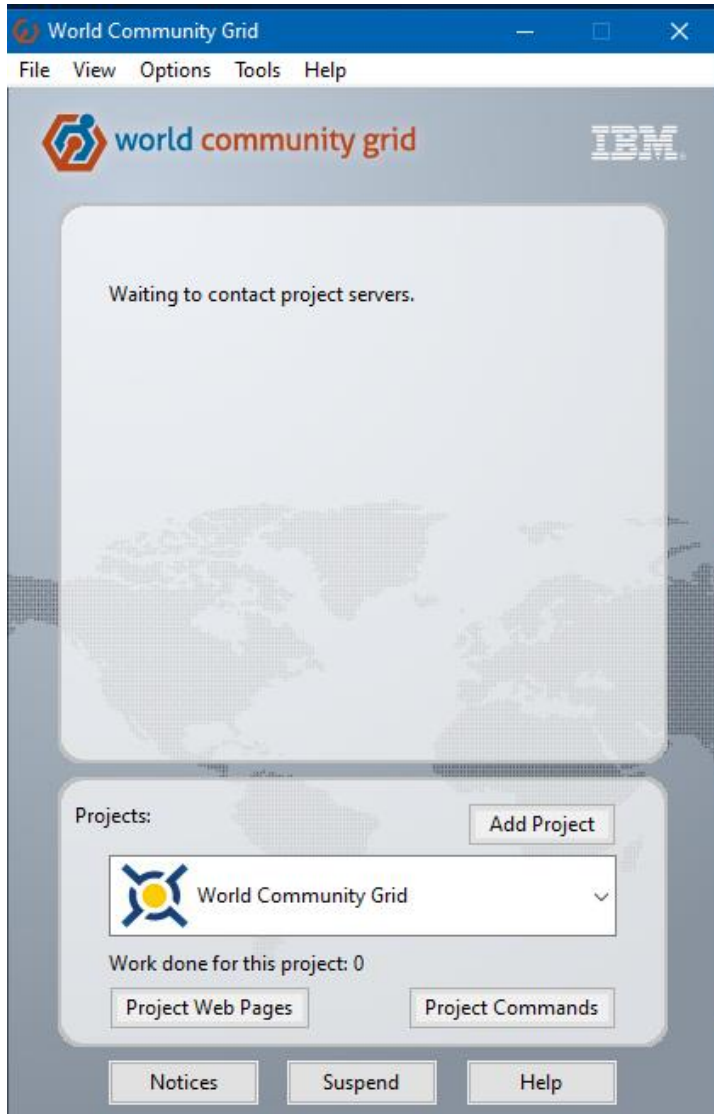

7.

Tryk **Finish** – Installationen er færdig og Boinc Manageren starter efterfølgende.

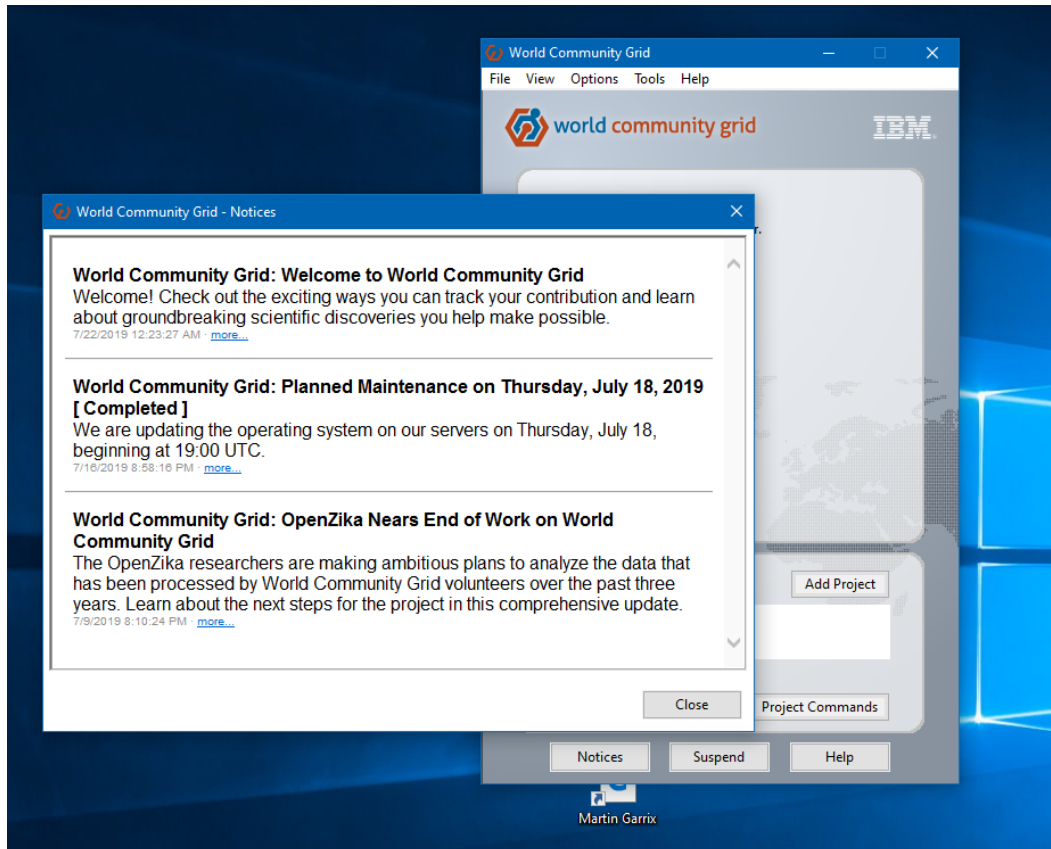

8.

Boinc Manager programmet starter med at hente de jobs der skal beregnes på efter et par minutter, først skal den dog lige undersøge hvor hurtig din computer er.

9.

Notices knappen blinker efter et øjeblik – Tryk på den for at se hvilken info der er.

10.

Luk **Notices** vinduet igen.

11.

Tryk på **Projects Web Page** knappen og derefter på **Home Page**.

The screenshot shows the World Community Grid application window. The title bar reads "World Community Grid" with standard window controls. The menu bar includes "File", "View", "Options", "Tools", and "Help". The main interface features the World Community Grid logo and the IBM logo in the top left. A task card is displayed with the following details:

- Tasks:** Microbiome Immunity Project (dropdown menu)
- From:** World Community Grid
- Logo:** MASSACHUSETTS GENERAL HOSPITAL (MGH 1811)
- Elapsed:** 00:03:00
- Remaining (estimated):** 03:16:02
- Progress:** 3.529% (indicated by a green bar)
- Status:** Running
- Action:** Task Commands

Below the task card is a "Projects:" section with an "Add Project" button. A dropdown menu shows "World Community Grid". Below this, it states "Work done for this project: 0". There are buttons for "Project Commands" and "Project Home page" (highlighted in blue). At the bottom of the interface are buttons for "Notices", "Suspend", and "Help".

12.

Tryk på **Settings** i toppen af vinduet og derefter **Data Sharing** (Du kan også trykke på nedenstående link)

Du skal nu tilrette dine indstillinger så andre kan se dit navn og beregninger ved at vælge **Display my Data**.

<https://www.worldcommunitygrid.org/ms/viewDataSharing.action>

Husk at trykke **save** for at gemme dine rettelser

Data Sharing

Choose to display or hide your data

You can control whether your data is displayed or hidden. If you choose to display your data, your username and contribution statistics will be shown on our leader boards, your badges and country (if specified) will be shown in our forums and your user and device information will be included in any data export files. See our [Privacy Statement](#) for more details.

Display my data
 Hide my data

Please note that it could take several hours for the change to take effect.

Link devices to account

If you have chosen to display your data using the option above, then you further have the option to link your devices to your user account when the data is exported and used by websites like [BOINCStats](#).
